

The background is a solid dark blue. It is decorated with various abstract geometric shapes in three colors: teal, pink, and yellow. These shapes include circles of different sizes, thick curved lines (arcs), and rounded rectangular bars. Some shapes are partially cut off by the edges of the frame. The overall aesthetic is modern and playful.

OneKart

A single place to do all your biddings

Description

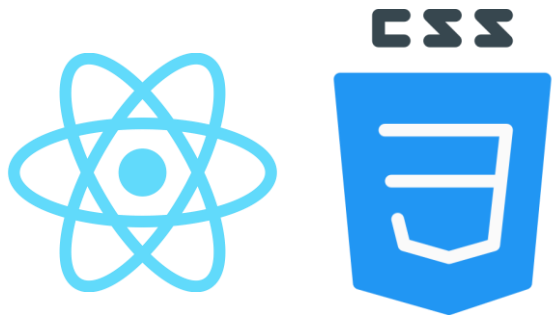

-  OneKart can offer solution for a particular retailer, such as Meena Bazar, Shwapno to manage its inventory, customers, employees and branches.
 -  The motive is to facilitate the management work in retailers, so that most of them can be carried out digitally.
 -  OneKart can help to improve and ease interactions among customers, vendors and retailer staff.
- 

Features

-  CRUD(Create, Read, Update, Delete) operations to and from the database.
-  Database keeps history of a list of orders.
-  Customers and vendors can search for products in the inventory of a retailer.
-  Products can be categorized based on their brand and type.
-  Customers can submit product reviews which will be available for others to see.

Technologies

Frontend: ReactJS + CSS

Backend: NodeJS + Express

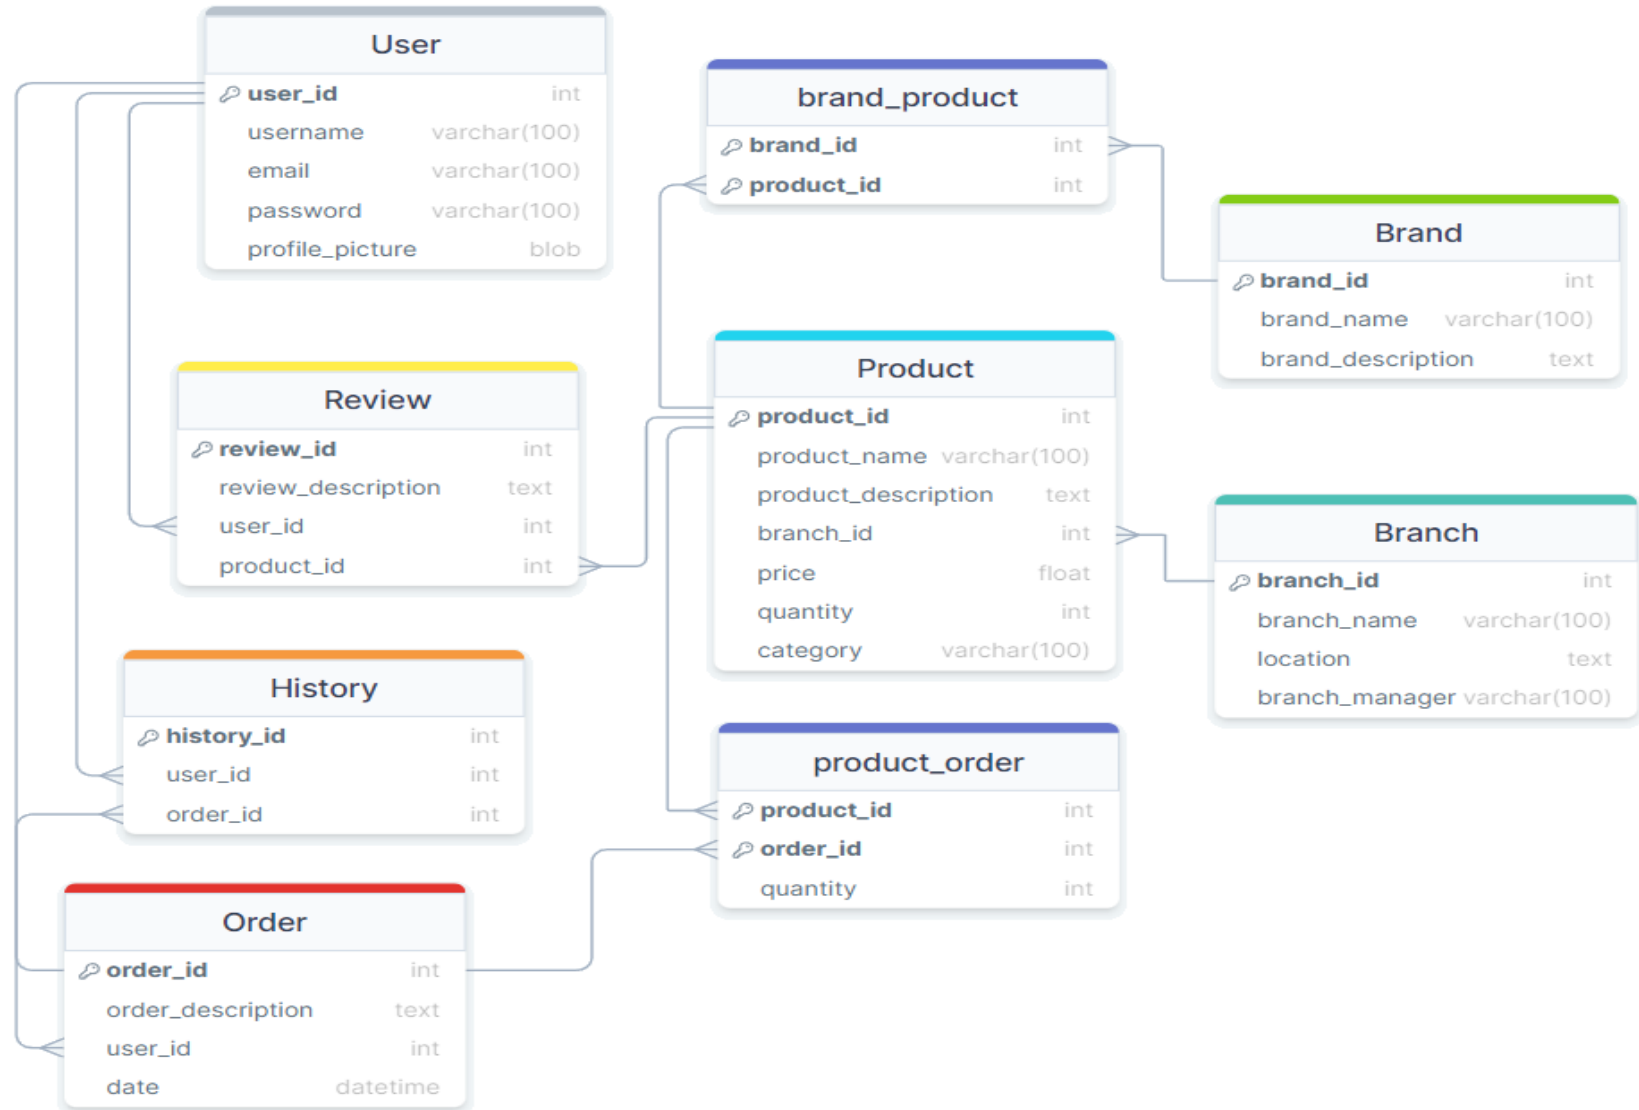

Database: MySQL

Version Control : GitHub

✖ Reflection of RDBMS via ER Diagram
